"Abbondanza"

Our story begins with Anthony & Celeste Lizio, who came to the US in the early 1930's from Sant'Angelo all'Esca – a small town an hour outside of Naples, Italy. Once in the US, Anthony & Celeste opened a small grocery store/restaurant. In 1969, the family sold the business to Quaker Oats who went on to create the Mama Celeste brand that everyone knows today.

*Clara & her husband Rudy Sr. were in the kitchen, and just like her mother Celeste, people came from far & wide. Now under the watchful eye of the next generation; Rudy Jr, along with his wife Dawn; carry on the traditions & recipes of Celeste and Clara. **THANK YOU!***
